Commissioner for Patents

The reply filed on October 18, 2004 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s): Newly submitted claims 1, 9, 16 and 17 are directed to a species that is independent or distinct from the invention originally claimed for the following reasons: Applicant is now claiming a "standard pump with a water manifold inlet" and a separate recitation of "a pump water manifold inlet". The only species showing two manifolds is Species I, Figure 2. Applicant originally elected Species III, Figure 4

Since applicant has received an action on the merits for the originally presented species, this invention has been constructively elected by original presentation for prosecution on the merits. Accordingly, claims 1-17 are withdrawn from consideration as being directed to a non-elected species. See 37 CFR 1.142(b) and MPEP § 821.03. See 37 CFR 1.111.

Since the above-mentioned reply appears to be bona fide, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a) .
